SUBJECT: Visit to I/SH of [REDACTED] Liaison Officer

25X1X7  
[REDACTED] visited I/SH on 28 August 1959 during which visit the following items were discussed:

25X1X7  
a. [REDACTED] asked if Admiral Rickover had been debriefed after his trip to Russia. I stated that we had seen no report of a debriefing and understood that the debriefing would be conducted by the AEC. Apparently Rickover got no information except about the icebreaker Lenin, on which we already have rather complete information.

b. Recent developments in the building of Soviet submarines were discussed briefly.
